Dear Prof. Xuecao Li

I'm delighted to invite you to visit the Institute for Global Environmental Strategies, our Tokyo branch, from **April 22<sup>nd</sup>-24<sup>th</sup>, 2024**. We are happy to provide you with office space and use of facilities in our building, as well as access to our Institute's library systems should you need them. During your visit, you will be able to work with us and discuss interdisciplinary collaboration on the theme of *Global Sustainable Urbanization* with my colleagues. It will be great for you to participate actively in our research group meetings. You are welcome to present your current work in a colloquium.

Please forward this letter along to your institution, or any others, to confirm our full formal invitation for your visit to the Institute for Global Environmental Strategies. I am certain your visit would be beneficial for further cooperation between our two institutions.

Let me know if you have any questions regarding this visit and I look forward to meeting you in Japan.

Best regards,  
Brian A. Johnson
